CELEBRATING DIVERSITY

RAINBOW DAY

If your child came to school last Thursday, they would have seen a magical rainbow made by all the students at Condell Park Public School. Nearly all students and many teachers came dressed in rainbow colours.

Student Parliament set up a fundraiser for the ‘Make A Wish Foundation’ by selling spider drinks all day. So many students bought yellow, red, orange or green spiders that we raised an amazing $700.

At the Rainbow Day assembly every class had two students who received an award for ‘best dressed’ and two students who received an award for being great role models and for looking after everyone, no matter what their skin colour, religion or cultural background is.

Rainbow Day was a very successful day.

NRMA SCIENCE & ROAD SAFETY DAY - TUESDAY 1 APRIL, 2014

Next Tuesday CPPS will be taking part in a new and innovative road safety education program delivered by NRMA Motoring & Services free of charge to 100 primary schools across NSW and ACT.

The day is a great opportunity for your children to learn about road safety from a science perspective so that they can better understand the forces that act on humans while in cars and on bikes and why wearing safety gear such as seatbelts and bike helmets make a real difference to their safety.

If your child has a HELMET, please remind your child to bring the HELMET to school on TUESDAY.

Parents are also invited to attend a 30 minute Parent Workshop at 2:30pm in the school hall on the day. The workshop will be delivered by a science professional who will explain what parents can do to help their children stay safe on their bikes and on their way to and from school.
WHY IT IS FUN TO PLAY PSSA BASKETBALL

It is fun to play basketball because you get to make new friends from your own school and from other schools. You also learn new skills. It is also fun because we walk down to the stadium as a team. Last, but not least, you get to play against other schools in a friendly competition. For all these reasons I picked PSSA Basketball for summer sport.
